PROBABLE CAUSE STATEMENT

I, BRANDON K BADEN
knowing that false statements on this form are punishable by law,
state that the facts contained herein are true.

1. I have probable cause to believe that on 01/23/2020, at
903 JEFFERSON ST, COLUMBIA, MO 65203,
WILLEM DAKOTAH CAMPBELL W/ [REDACTED]
committed one or more criminal offense(s):
565.054-002Y201713 ASSAULT - 3RD DEGREE
F/M: F COUNTS: 1 CHARGE TYPE: S

569.120-001N201629 PROPERTY DAMAGE 2ND DEGREE
F/M: M COUNTS: 1 CHARGE TYPE: S

579.074-002Y201735 UNLAWFUL POSSESSION OF DRUG PARAPHERNALIA - ERION DRUG BITTEN
F/M: M COUNTS: 1 CHARGE TYPE: S

2. The facts supporting this belief are as follows:
On 01/23/2020, I was dispatched to 903 Jefferson Street, in Columbia, Boone
County, Missouri, for a reported assault with a weapon. When I arrived I made
contact with the victim RK, who stated a male attacked him in his driveway of
903 Jefferson Street, with a blunt object he described as " a long metal pipe".
The suspect fled prior to officers arriving.

I spoke with RK who stated he was driving home on the night of 01/23/2020 and
saw a male wearing all black, standing in the middle of Benton Street. The male
was later identified as Willem Campbell. RK stated he could tell Campbell was
holding something behind his back. RK stated Campbell started yelling at him so
he drove past the male. RK stated he was parking his vehicle in his driveway and
he saw Campbell running towards his vehicle. RK stated Campbell was yelling at
him, but RK could not understand what Campbell was saying. RK stated Campbell
had what he described as " a long metal pipe" and struck RK's windshield with
the metal pipe. When Campbell struck RK's windshield with the metal pipe, a
small crack formed in the right side of the windshield. RK stated the window
would need to be replaced and would cost approximately \$300 to fix. RK then
stated Campbell came to the driver side door, opened it and began to strike RK
with the metal pipe. RK had no visible injuries at the time I was talking to
him, but RK was limping and could hardly walk. RK stated he was struck in the
right knee and RK stated he had a prosthetic knee. RK was wincing in pain while
I was speaking with him.

Officers were able to locate Campbell at 1205 North Garth Avenue. I drove RK to 1205 North Garth for a show up. RK positively identified Campbell as the male who attacked him. I then placed Campbell under arrest. Upon searching Campbell Officers located multiple used needles, which I know from my training and experience used needles are typically used for drugs.

3. For the issuance of a warrant in a misdemeanor case, complete the following

(a) I believe that the defendant will not appear in court in response to a criminal summons because:

Campbell has been arrested and convicted of; assault, resisting arrest, property damage, theft, peace disturbance, possession of a controlled substance, unlawful possession of drug paraphernalia, DWI.

(b) I believe that the defendant poses

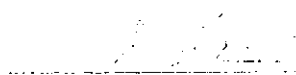

(1) a danger to a crime victim because

Campbell attacked RK, a random stranger that he does not know.

(2) a danger to the community or to any other person because

Campbell attacked RK, a random stranger that he does not know. Campbell could do this to any stranger he sees on the street.
