

Statement on Behalf of Cole County Public & Non-Public School Districts (see full list below)

In accordance with guidelines recommended by the State of Missouri, all public and non-public schools are to remain closed for the remainder of the 2019-2020 school year.

With the lifting of the Stay at Home Order on Monday, May 4, schools in Cole County are making plans to move forward to safely reopen our school communities. With social distancing being a requirement at the state and county level, large school events such as prom, baccalaureate ceremonies, graduation ceremonies, grade promotion ceremonies, and sports camps and practices will not be held on or before Sunday, May 31.

Individual schools and districts within Cole County are in the process of notifying families and students of alternative back-up dates for events as possible, pending further orders or guidelines from health officials.

Schools may hold functions after Monday, May 4th that observe social distancing guidelines such as teacher/student parades and other limited on-campus student academic services.
