

Callaway County  
**COVID-19**  
Update

May 11, 2020

The Callaway County Health Department has no new positive COVID 19 cases to report at this time. There are currently 22 cases, with 19 recovered, two active and one death.

As we are starting the reopening process, if you are immunocompromised, please remember to take extra precautions. As schools start preparing for graduation ceremonies, if you are not comfortable being in public, try to remove yourself from those situations. Continue to wash your hands, practice social distancing and stay safe.
