To whom it may concern,

This letter is to inform you that our offices were notified of violations of **Order NO 2020-07** at your establishment. These violations occurred on Saturday, July 11, 2020 and are displayed via picture. The image shows a large crowd inside your establishment with no social distancing measures taking place between individuals or groups.

Section 1.06 of Order NO 2020-07 states:

Restaurants and bars are permitted to operate with no occupancy limitations; provided, however, Social Distancing Requirements between groups of patrons shall be observed. With the exception of carry-out services, there shall be no standing bar, counter or buffet service. A request for an exception or waiver to the “no standing bar counter or buffet service” requirement may be approved by the Health Director pursuant to Section 1. 17.

Section 1.04 of Order NO 2020-07 states:

Any large group gathering or event held at a business or institution open to the public is limited to fifty percent (50%) of the authorized occupancy or a maximum of one hundred (100) people, whichever is less; provided Social Distancing Requirements are maintained. A request for an exception or waiver to the occupancy limitation for large group gatherings or events may be approved by the Health Director pursuant to Section 1.17.

Section 1.03 of Order NO 2020-07 states:

“Social Distancing Requirements” means the social distancing recommendations of the CDC which include maintaining at least six-foot (6 ft.) social distancing from other individuals.

This violation causes concern as COVID-19 is spread easily through individuals in close contact. Due to the serious nature of this, this violation has been handed over to the City Prosecutor for further action.
