To whom it may concern,

This letter is to inform you that our offices were notified of a violation of **Order No. 2020-09** that occurred on Friday, August 7, 2020 and again Monday, August 17, 2020. The complaints stated that employees at the above named location were not properly wearing masks over both the mouth and nose. Inspections done on both dates showed employees failing to cover both the mouth and nose with a mask.

Section 1.04 of Order NO 2020-09 states:

“Face Mask” means a covering made of cloth, fabric, or other soft or permeable material, without holes, that covers only the nose and mouth and surrounding areas of the lower face.

This violation causes concern as COVID-19 is spread easily through individuals in close contact. Due to the serious nature of this, this violation has been handed over to the City Prosecutor for further action.

If you have any questions, please do not hesitate to reach out to either myself or the Law Department at the following:
