On November 14, 2020 at 5:35 pm, I received a picture from my Supervisor of Environmental Health of The Atrium violating the Public Health Order. The Atrium was hosting an event and in the pictures it showed multiple patrons not wearing masks. Upon arrival at 6:45 pm, I walked in and saw multiple patrons walking around without a mask on, I then asked for the person in charge. Travis Tucker then came out and asked why we were here. We stated we were with the Health Department and we received a complaint about multiple violations showed within the photo. Mr. Tucker stated that he cannot control his customers and said he was not the "mask police". Mr. Tucker stated that "Health Department had single handedly ruined Columbia Business" while pointing his finger at me. I then stated that he was responsible for enforcing the order while having patrons in his establishment. I have attached the picture to this NOV

On November 14, 2020 at 5:35 pm, I received a picture from my Supervisor of Environmental Health of The Atrium violating the Public Health Order. When we arrived at 6:45 pm we asked him in the course of conversation how many people were in attendance of this event which we noted was a wedding reception upon arrival. He stated he has approximately 125 patrons and that he was approved to have 140 patrons. I then stated he was not approved to have 140 as he did not have an approved operational plan on file. Our department was in the process of giving an approval of 140 patrons but it was not complete.
