COURT ORDER

The Court has heard arguments on the Motion for a Temporary Restraining Order on April 26, 2023 but has not had the opportunity to review the briefing sufficiently to fully rule on the Motion. The Attorney General graciously invited the Court to enter a short stay of the enforcement of the Order so the Court may review the briefing. Further, as of the end of the hearing today, the Attorney General has not yet filed their brief in opposition, which the court would like to review.

WHEREFORE, The Court hereby STAYS the implementation of the Attorney General’s Emergency Order until Monday May 1, 2023 at 5pm, by which time the Court anticipates having a ruling prepared on the Motion for Temporary Restraining Order argued before it today.
