Resignation as Mayor

Due to the persisting feeling from the Citizens of Auxvasse that I am not a competent mayor, along with that I do not have the city's best interest in heart, and I only care about mone,. I hereby resign my position as mayor effective immediately.

This was a difficult decision to make but given the current attitude and feelings of the community it is in the city's best interest I forgo my duties and I submit my resignation. I have always only had the best interest of this city at heart. I have lived here 51 years, and it has changed, and we have become a city I do not remember or recognize, I was trying my best for what we needed for this city. I wish the best to the city, its citizens and the new mayor well.

  
Mayor, Ron Dye City  
of Auxvasse
