SUPPLEMENT 1 - OFFICER PHOTOS AND WEAPONS SEIZURE
DATE OF REPORT - AUGUST 4, 2023

1. On August 4, 2023, at approximately 1745 hours, I arrived at the Columbia Police Department (CPD), 600 East Walnut Street, Columbia, Missouri, in response to an officer involved shooting incident. After the incident, the shooting officers were transported to the Columbia Police Department, where they were separated and their weapons were seized. During the incident, [REDACTED] date of birth April 12, 2001, was killed and the weapon he was in possession of was seized and also transported to the Columbia Police Department.

2. At approximately 1745 hours, I met with Columbia Police Department Internal Affairs Officers Julie Ray and Brandon Holtz who had the officer's weapons. I met with Officer Treveyon Gayton who was present at the office and had [REDACTED] pistol in his possession. I took possession of [REDACTED] pistol at approximately 1747 hours. At approximately 1750 hours, I inventoried and seized the officer's weapons. The weapons and round counts collected are as follows:

- a. 1238.001 - Stoeger STR-9, 9mm caliber pistol with 15 round magazine, and one 9mm round, s/n - T6429-22U06448 ([REDACTED] pistol)
b. 1238.002 - Glock Model 45, 9mm pistol with three 17 round magazines and 50 rounds 9mm ammunition, s/n - BZXG365 (Pistol assigned to Officer Andrew Gilstrap)
c. 1238.003 - Glock Model 45, 9mm pistol with three 17 round magazines and 50 rounds 9mm ammunition, s/n - BZXG346 (Pistol assigned to Officer George Chiang)
d. 1238.004 - Sig Sauer M400, 5.56 rifle with one magazine and 28 rounds .223 ammunition, s/n - 20K007892 (Rifle used by Officer Ethan Wild)
e. 1238.005 - Sig Sauer M400, 5.56 rifle with one magazine and 24 rounds .223 ammunition, s/n - 20K052692 (Rifle used by Officer Kaleb Baillargeon)
f. 1238.006 - American Defense Mfg, 5.56 rifle with one magazine and 23 rounds .223 ammunition, s/n - U15-10562 (Rifle used by Officer Dalton Alvey)

NARRATIVE

3. After counting the ammunition I believed it was likely Officer Gilstrap and Officer Chiang each fired one round, Officer Baillargeon fired four rounds, and Officer Alvey fired five (5) rounds. It did not appear Officer Wild fired his weapon, as the magazine had 28 rounds which is how rifles are administratively carried. Additionally, based on the single round located in [REDACTED] pistol it was undetermined how many rounds he likely fired.

4. After seizing and inventorying the rifles, I met with each officer to photograph them in their uniform:

- a. 1827 hours - Officer Baillargeon - four photos - DSC_0007 - DSC_0010
- b. 1837 hours - Officer Gilstrap - four photos - DSC_0011 - DSC_0014
- c. 1843 hours - Officer Chiang - four photos - DSC_0015 - DSC_0018
- d. 1849 hours - Officer Wild - four photos - DSC_0019 - DSC_0022
- e. 1855 hours - Officer Alvey - four photos - DSC_0023 - DSC_0026

5. I conducted a virtual scene walk through with each of the officers with a dry erase board in which a rough diagram of the scene was drawn and the officers identified their locations at the time of the shooting.

6. At the conclusion of the virtual walk through, I placed all the weapons in the my patrol vehicle and departed the police station to respond to the incident location. The weapons remained secured in my patrol vehicle while I assisted with the processing of the scene. After working the crime scene, the weapons remained secured in my Patrol vehicle until August 7, 2023, when they were transported to Troop F Headquarters and secured in my office.

7. On August 9, 2023, I photographed all the weapons, magazines, and ammunition. Photographs DSC_0007 - DSC_0032 document the firearms. Due to similar photograph numbers I renamed the firearm photos to "Firearm DSC_00xx." I separately packaged each firearm and the associated magazine and ammunition, and submitted the items into the Troop F property control system.

8. Digital copies of officer photos, firearm photos, and the associated property records are attached to this report and will be maintained with this departmental case file.

9. This investigation is open.

SUPPLEMENT 2 - OBTAINED VIDEO FROM NEIGHBORS [REDACTED]

DATE OF REPORT - AUGUST 4, 2023

1. On August 4, 2023, at approximately 1816 hours, I contacted [REDACTED] and [REDACTED] at their residence, 301 Campus View Drive, Building 3, Apartment 317, Columbia, Missouri. I contacted [REDACTED] and [REDACTED] to see if they had been witnesses to an incident that occurred within their apartment complex, in which [REDACTED] date of birth April 12, 2001, was shot and killed during an incident with officers from the Columbia Police Department.
2. On August 4, 2023, I assisted in the investigation of an incident in which [REDACTED] date of birth April 12, 2001, was shot and killed during an incident with officers from the Columbia Police Department. This incident occurred in the parking lot directly south of [REDACTED] apartment, which was located in Building 3 of the apartment complex. As I observed the scene, I noticed two individuals seated on a third-story balcony or porch of Building 3, facing south.
3. I walked up the stairs and introduced myself to the subjects, who identified themselves as [REDACTED] and [REDACTED]. [REDACTED] and [REDACTED] indicated they lived at the apartment complex and although they did not witness [REDACTED] being shot, they saw [REDACTED] interacting with police officers prior to the shooting. They also said [REDACTED] had captured a video of [REDACTED] as he was speaking with police officers prior to the shooting. I asked [REDACTED] if I could view the video, which she had on her cellular telephone. [REDACTED] allowed me to view it, and I observed [REDACTED] standing in the parking lot, wearing a white stocking cap, a light-purple and white hooded sweatshirt, red shorts, and dark-colored slide-style sandals. The video was taken from behind [REDACTED] and I could not see [REDACTED] hands, as they were in front of his body. South of [REDACTED] there was a fully-marked Columbia Police Department patrol vehicle. There were two subjects who appeared to be wearing police uniforms taking a position of cover: one near the windshield and one near the rear of the patrol vehicle. Both subjects appeared to have handguns pointed at [REDACTED]. There was no audio on the video. The video was ten seconds in length.
4. I provided [REDACTED] with my department-issued cellular telephone number and requested that she send me the video, which she did. I received the video at approximately 1823 hours. I advised [REDACTED] and [REDACTED] they would be contacted later by myself or another officer with further questions about what they had witnessed.
5. A copy of the video shared with me by [REDACTED] was digitally transferred onto a USB thumb-drive, which is attached to this investigation.
6. This investigation is open and active.

NARRATIVE

1. On August 4, 2023, at approximately 1833 hours, I contacted [REDACTED] date of birth December 28, 2000, at his residence at [REDACTED]. I contacted [REDACTED] after I had been advised by law enforcement personnel that [REDACTED] may possess video footage of an incident in which [REDACTED] date of birth April 12, 2001, was shot and killed during an incident with officers from the Columbia Police Department.
2. On August 4, 2023, I assisted in the investigation of an incident in which [REDACTED] date of birth April 12, 2001, was shot and killed during an incident with officers from the Columbia Police Department. This incident occurred in the parking lot directly south of [REDACTED] apartment, which was located in Building 3 of the apartment complex. While I was at the scene, I was contacted by an officer with the Columbia Police Department who was assisting with security at the scene. The officer advised me he had learned another tenant in the apartment complex was believed to have captured video footage of the shooting incident. The officer directed me to Building 1, Apartment 213, and said the tenant inside that apartment was believed to have the video. I knocked at the door and was greeted by a subject who identified himself as [REDACTED]. I asked [REDACTED] if he had witnessed the incident and he said he had. I asked if he had captured video footage of the incident and he indicated he had, however, he said he didn't want to discuss what he'd seen or allow me to view the video. [REDACTED] said he didn't want to have to relive what he'd seen and didn't want to talk about it. I explained to [REDACTED] that I was conducting a criminal investigation pertaining to the shooting and his video may be an important tool for the investigation. [REDACTED] insisted that he was not going to speak to me about what he saw or allow me access to the video. I asked [REDACTED] for his telephone number, which he provided. I gave [REDACTED] one of my business cards and advised him I would likely be contacting him again, after he'd had more time to deal with what he'd seen, to request that he talk to me about it. [REDACTED] said that would be fine.
3. On August 7, 2023, at approximately 1208 hours, while I was in the area of the incident, I contacted [REDACTED] by telephone. I identified myself and asked again if [REDACTED] would be willing to talk to me about the events he'd witnessed and/or captured video of from August 4, and [REDACTED] said he would not speak with me about the matter.
4. This investigation remains open and active.

NARRATIVE

1. On August 4, 2023, at approximately 1845 hours, I interviewed [REDACTED] date of birth February 2, 2003, telephone number [REDACTED]. This interview occurred in the parking lot at [REDACTED] residence, located at [REDACTED] and was in reference to an incident earlier that day in which [REDACTED] friend, [REDACTED] date of birth April 12, 2001, was killed in an officer involved shooting with officers with the Columbia Police Department. [REDACTED] had contacted officers while the incident was being investigated and I spoke with [REDACTED] in my vehicle, which was parked on the parking lot of the apartment complex at which the shooting occurred. The following is a synopsis of statements made by [REDACTED] during the interview. The text is not verbatim and is not a transcript, and may not be in sequential order; however, it accurately reflects the information given by [REDACTED].
2. [REDACTED] told me he was [REDACTED] roommate at their apartment at [REDACTED]. He said they were the only two tenants of the apartment. I asked [REDACTED] what had been going on with [REDACTED] and he said [REDACTED] had been having relationship issues with his girlfriend. He also indicated [REDACTED] was also having issues with finding or keeping employment. [REDACTED] later explained that he and [REDACTED] had moved to Columbia, Missouri from Chicago, Illinois; and had been roommates for about a year and a half. He said they had originally moved to Columbia to work at "Good Day Farms," where [REDACTED] is currently employed, but the employment had not worked out for [REDACTED].
3. I asked [REDACTED] about the last time he saw [REDACTED] and he said he had not seen him that day as [REDACTED] had left for work between 6:15 and 6:30 am, and [REDACTED] was still sleeping at that time. He said he talked to [REDACTED] on the previous night (August 3) at about 9:00 pm while [REDACTED] was playing video games in the apartment. [REDACTED] said at that time [REDACTED] indicated he and his girlfriend were not getting along. [REDACTED] said today while he was at work, he noticed [REDACTED] had posted a message saying "I'll see you guys later" on his "Snapchat" account, along with a picture of him sitting outside their apartment. I asked [REDACTED] what he thought it meant when [REDACTED] made that post, and he said he thought it meant [REDACTED] was going to kill himself. He said as soon as he saw it he tried to send [REDACTED] a text message, but the message couldn't be delivered due to connectivity issues at his workplace. [REDACTED] said when he got off work, he tried to text [REDACTED] again, but [REDACTED] "Snapchat" appeared to be gone, so he hoped it meant that [REDACTED] was just logging out and taking a break from "Snapchat." [REDACTED] said when he got close to home after work and he saw all the law enforcement vehicles, he knew what had happened.
4. [REDACTED] said he has been close friends with [REDACTED] for five years. He said in the past, whenever [REDACTED] has had a girlfriend, [REDACTED] has quickly become very involved and invested in the relationship. He said [REDACTED] has been in a relationship with his current girlfriend since November. He said she was "taking a break" from [REDACTED] and it was "taking a toll" on him. He said [REDACTED] has a habit of sitting in the apartment alone a lot, and [REDACTED] did not believe that was a good way to deal with what [REDACTED] was going through. He added that when [REDACTED] lost his job, that was the first step in him becoming depressed, but said he was getting more depressed when his girlfriend stopped talking to him. I asked [REDACTED] if [REDACTED] had ever threatened suicide in the past and he said about a week ago, [REDACTED] told him, "yo, me and my girl are fighting and when she doesn't talk to me, i feel like i don't want to be here." [REDACTED] said [REDACTED] had also experienced challenges within his own family, saying he'd "definitely been through it his whole life." [REDACTED] said [REDACTED] girlfriend was at the apartment yesterday, and she and [REDACTED] were talking and laughing, so he thought things were going better.
5. I asked [REDACTED] if [REDACTED] had a gun and he said he had a 9mm "Stoeger." He said he had gone to the shooting range to shoot it in the past but didn't think he'd gone for a few months. He said [REDACTED] carried the gun with him everywhere he went, but he never saw [REDACTED] as a person who could ever shoot at someone. He said knowing this made him think [REDACTED] must have been in a really "bad spot," indicating he believed [REDACTED] made the decision to cause the police officers to have to shoot and kill him.

6. This investigation remains open.

SUPPLEMENT 6 - SCENE PHOTOGRAPHS / VIDEO (OUTSIDE RESIDENCE)

DATE OF REPORT - AUGUST 9, 2023

1. On August 4, 2023, at approximately 1635 hours, I was notified by Missouri State Highway Patrol Trooper A. Kings of an officer involved shooting in Columbia, Missouri. The shooting involved several Columbia Police Department Officers and a Columbia resident. At the request of the Columbia, Missouri, Police Department, the Missouri State Highway Patrol Division of Drug and Crime Control was asked to investigate the incident. At approximately 1722 hours, I arrived at 301 Campus View Drive, Building 3, Apartment 315, in Columbia, Missouri. I contacted Trooper Chase Fox, who was assisting with perimeter security. Trooper Fox was on scene shortly after the incident and secured the scene until members from the Division of Drug and Crime Control arrived. I documented the scene by photographing and videoing the secured area. The following narrative documents the scene photographs/video taken on August 4, 2023.
2. At approximately 1731 hours, I utilized a department-issued Nikon D5600 digital camera and took scene photographs. The photographs were stored on a SanDisk Ultra SD card and later digitally transferred onto a USB thumb-drive, and placed in the departmental case file. The following is a list of the photographs/video taken, along with a brief description of the images.

SUPPLEMENT 7 - [REDACTED] INTERVIEW
DATE OF REPORT - AUGUST 8, 2023

1. On August 4, 2023, at approximately 1859 hours, I conducted an in-person interview with [REDACTED] date of birth March 26, 1994, telephone number [REDACTED] This interview was in reference to an investigative lead regarding a Columbia Police Department officer involved shooting, which occurred earlier in the afternoon. NARRATIVE

1. On August 4, 2023, at approximately 1845 hours, I created a scene diagram depicting the outside area south of 301 Campus View Drive, Building 3 and the location of evidence items. This incident occurred in the parking lot area and grass area immediately outside Building 3, Apartment 315. The Columbia Police Officers who responded during this incident were located to the south. I diagrammed the locations of shells casings which appeared to be from officers. I documented this information in two (2) diagrams, the scene overview, and the evidence locations diagrams.

MISSOURI STATE HIGHWAY PATROL
REPORT OF INVESTIGATION

01/15

NARRATIVE

1. On August 4, 2023, at approximately 1636 hours, I was notified by Missouri State Highway Patrol Trooper A.B. Kings of a shooting in Columbia, Missouri. Trooper Kings advised officers with the Columbia Police Department had been involved in a shooting with a subject and the subject had died as an apparent result of the shooting. The Columbia Police Department had requested the Missouri State Highway Patrol Division of Drug and Crime Control to investigate the incident.
2. I responded to Columbia to assist with the investigation. While en route to Columbia, I was given further information about the shooting, including the location of the shooting, which was the "Campus View Apartments" located at 301 Campus View Drive. I was advised five Columbia Police Department Officers had been involved in the shooting, and the five officers had been instructed to go to the Columbia Police Department with the firearms used in the shooting and wait there to meet with an investigator. The firearm used by the deceased subject in the shooting had also been secured by Columbia Police Department Officer(s) and transported to the Columbia Police Department. I spoke with Trooper Kings via cellular telephone and it was decided that Trooper Kings would respond to the Columbia Police Department to meet with officers involved and process the firearms as evidence. I also had contact with Sergeant B.R. Germann, who responded to the scene. I arrived at the scene at approximately 1715 hours. Upon my arrival at the scene, I met with several officers with the Columbia Police Department, including Lieutenant Horrell. Sergeant Germann arrived at the scene a few minutes after my arrival. The temperature at the scene was approximately 75 degrees Fahrenheit. There was a light wind from the west with precipitation and possible thunderstorms in the forecast for later in the evening.
3. I was directed to the scene of the shooting, which was located directly south of Building 3 of the apartment complex. The scene and surrounding area was cordoned off with yellow crime scene tape. "Building 3" faces south and a large parking lot was directly south of the building. West of the parking lot, and southwest of Building 3 was "Building 2" (which faced the parking lot to the east) of the apartment complex. I observed several yellow numbered evidence placards in the lawn area between Building 3 and the parking lot and in the parking lot south of Building 3. The placards were placed near shell casings and cartridges. I was informed the markers had been placed by officers with the Columbia Police Department to assist in locating the items and to prohibit the various items from being inadvertently disturbed. I observed a white sheet, apparently covering a body, located on the parking area directly south of Building 3. I also observed two fully-marked Columbia Police Department vehicles parked, facing north, near the west edge of the parking lot south of Building 3. Several other Columbia Police Department patrol vehicles were parked further to the south in the same parking lot.
4. Upon further inspection of the scene, I observed damage to a Columbia Police Department patrol vehicle (#1148) that appeared to be consistent with damage caused by being struck with projectiles from a firearm. The vehicle, which was the second of the two vehicles facing north, closest to the body, was canted, slightly south and east of another patrol vehicle. It appeared the vehicle had been struck by four projectiles: one in the right front wheel, one in the windshield, one in the hood, and one in the front passenger-side door. The projectiles appeared to have been fired from east or northeast of the vehicle. Behind the patrol vehicle, I observed a nickel-colored 9mm shell casing; and to the left (west) of the front of the vehicle (behind the other patrol vehicle) I observed four spent brass-colored .223 shell casings. In the parking lot, approximately 30 feet south of the patrol vehicle that had been struck by gunfire was a nickel-colored 9mm shell casing, and approximately 50 feet south of that was a brass-colored .223 cartridge. After Trooper Kings arrived at the scene, four additional spent .223 shell casings were located east of the parking lot in a grassy area. In addition, 18 brass-colored .9mm spent shell casings were located in the grass and mulch area directly south of the porch of Building 3, apartment number 115, as well as one brass-colored 9mm spent shell casing in the parking areas closest to the porch, east of the body. All 19 of these shell casings nearest the apartment were "Sig" ammunition.
5. The sheet covering [REDACTED] body was removed so the body could be viewed and photographed. [REDACTED] body was lying, face-up, with the head facing north and hands to its sides. The body was wearing a gray stocking cap and a light purple and gray colored sweatshirt that had apparently been cut during lifesaving attempts. [REDACTED] body had red athletic shorts and a pair of black slide-style sandals were on the pavement near the feet. There was a chest seal and other medical supplies present on and around the body. Handcuffs were applied on the left wrist.

NARRATIVE

6. The following items were seized from the parking lot, south Building 3:

- a.) 1260.001 - Nickel colored spent "Speer" .9mm shell casing
- b.) 1260.002 - Spent "Hornaday" .223 shell casing
- c.) 1260.003 - Spent "Hornaday" .223 shell casing
- d.) 1260.004 - Spent "Hornaday" .223 shell casing
- e.) 1260.005 - Spent "Hornaday" .223 shell casing
- f.) 1260.020 - "Hornaday" .223 cartridge
- g.) 1260.021 - Nickel colored spent "Speer" .9mm shell casing

The following items were seized from the grassy area east of the parking lot:

- a.) 1260.026 - Spent "Hornady" .223 shell casing
- b.) 1260.027 - Spent "Hornady" .223 shell casing
- c.) 1260.028 - Spent "Hornady" .223 shell casing
- d.) 1260.029 - Spent "Hornady" .223 shell casing.

The following item was seized west of the parking lot:

- a.) 1260.022 - Spent projectile located on top of bucket west of parking lot, near apartment buildings.

The following item was seized from inside or around the Columbia Police Department patrol vehicle parked in the parking lot (plate 1148):

- a.) 1260.030 - Projectile fragment located behind driver's seat
- b.) 1260.031 - Projectile fragment located in front passenger floorboard
- c.) 1260.032 - Projectile fragment located on parking lot, next to front left wheel
- d.) 1260.033 - Spent projectile recovered from engine compartment.

Items 1260.006 through 1260.019, as well as items 1260.023, 1260.024, 1260.034, and 1260.035 were seized from the grass and/or mulch area directly south of the porch of Building 3, Apartment 115. These items were spent brass-colored .9mm "Sig" shell casings.

Item 1260.025 was an additional spent brass-colored .9mm "Sig" shell casing, seized from the parking lot east of Rivera's body.

Each of these items were placed in numbered envelopes. At some point during the processing of the scene, the shell casing numbered 1260.025 apparently fell out of its envelope. I noticed the shell casing was missing prior to having left the scene, but I was not able to locate the casing.

7. Sergeant B.R. Germann photographed the scene. For further details of the photographs taken, see his report, Supplement 6 (R10308138). Due to impending stormy weather, the area was split up for diagramming purposes. A diagram of the outer crime scene (area south of the body in and around the parking lot) was prepared by Trooper A.B. Kings. For further details of this diagram, see his report, Supplement 8 (R7681798). I prepared a diagram of the area surrounding the body. The diagram is attached to this report.

8. The Boone/Callaway County Medical Examiner's Office was contacted and investigator Trisha Clark Responded to the scene. At approximately 2110 hours, [REDACTED] body was removed and transported by Parker-Millard Funeral Home personnel at the direction of Investigator Clark.

NARRATIVE

1. On August 4, 2023, at approximately 2110 hours, I executed a search warrant on the dwelling located at 301 Campus View Drive, Building 3, Apartment 115. This apartment was the residence of [REDACTED] date of birth April 12, 2001, and [REDACTED] roommate, [REDACTED] date of birth February 2, 2002. Earlier in the afternoon of August 4, 2023, [REDACTED] was involved in an incident in which he used a handgun to fire several shots, striking a Columbia Police Department patrol vehicle and another building. [REDACTED] was later shot and killed outside of Apartment 115 by officers with the Columbia Police Department. The Missouri State Highway Patrol Division of Drug and Crime Control had been requested to conduct an investigation, and a search warrant for the residence had been obtained by the Columbia Police Department to assist the Patrol. I was assisted by Sergeant B.R. Germann and Trooper A.B. Kings. Also present was Trisha Clark, Investigator with the Boone/Callaway County Medical Examiner's Office.

2. 301 Campus View Drive, Building 3, is an apartment building that faces south. The building has light colored vinyl siding. Apartment 115 is the westernmost unit on the ground level, with a front door that faces south. Using my patrol-issued digital camera, I photographed the exterior and the interior of the apartment. The exterior door opens into an open living room and kitchen "common area," with two bedrooms with bathrooms east of the common area and two bedrooms and bathrooms west of the common area. In walking through the apartment, it appeared the two bedrooms on the east side of the apartment were vacant and the two on the west side were recently used. These rooms were mostly in disarray and were cluttered with clothing, electronics, and other personal effects.

3. The following items were seized from the scene:

- a.) 1260.036 - A "Stoeger" STR-9 Pistol box containing papers, user's manual, and gun lock. S/N: T6429-22U6448 (Located in northeast bedroom)
- b.) 1260.037 - Black iphone with black case (Located in couch in living room)
- c.) 1260.038 - Black iphone with light-purple case (Located in couch in living room)
- d.) 1260.039 - Projectile removed from wall in southeast bedroom.

These items were photographed and transported to the Missouri State Highway Patrol Troop F Headquarters, where they were processed as evidence. A copy of the Crime Scene/Search Warrant Inventory was left at the residence along with a copy of the search warrant.

4. Property records for the items seized from the scene are attached to this report. The photographs of the scene were transferred onto a USB thumb drive, which is attached to this investigation. A copy of the Crime Scene/Search Warrant Inventory form and a copy of the search warrant were also electronically scanned and stored on the USB thumb drive.

5. This investigation is open.

SUPPLEMENT 13 - [REDACTED] INTERVIEW
DATE OF REPORT - AUGUST 7, 2023
1. On August 7, 2023, at approximately 1106 hours, I conducted an in-person interview with [REDACTED] date of birth May 28, 1988, telephone number [REDACTED] This interview was conducted in reference to an investigative lead regarding the Columbia Police Department officer involved shooting, which occurred on August 4, 2023. The interview was conducted in my assigned patrol vehicle, near 301 Campus View Drive in Columbia, Missouri.
2. [REDACTED] stated he is a contract employee with a general contractor who was working at the Landing apartment complex. On August 4, 2023, he was working in Building 2, which was adjacent (southwest) to Building 3. Approximately 30 minutes prior to the shooting, he noticed two (2) police vehicles in the area and officers talking to a male. [REDACTED] did not know what the officers were talking to the man about, or the reason why police responded to the apartment complex. When he noticed the police cars at the front office, he believed the situation was resolved.
3. [REDACTED] stated after police left the area, he was doing framework in Building 2, and needed to retrieve a saw from his truck. [REDACTED] vehicle was parked just east of Building #2 (in front of Building 3).

NARRATIVE

While in his driver's seat of his work truck, he observed two patrol cars travel behind his truck and park between Buildings 2 and 3. The officers exited their vehicles, stood outside Building 3, and conversed with a mixed African-American male, who was wearing shorts and a hoodie sweatshirt. He estimated the male to be 5'10" or shorter, with a skinny build. [REDACTED] began to back out of his parking spot (moved approximately 1 foot), when he heard gunfire. He glanced through the passenger window and noticed the officers were "Under fire, and the guy was pointing a gun in our direction." The black male was pacing back and forth and fired 10 (ten) or more rounds in rapid succession. He noticed the pistol was pointed sideways, and the shooter was moving his arm in an arcing motion. [REDACTED] did not get a good look at the gun, because he had ducked and exited his truck to avoid the gunfire. He stated his truck was parked almost directly behind the police cruisers and he knew the shots were in his direction.

4. As [REDACTED] exited the vehicle, he heard the officers saying, "Put the weapon down." [REDACTED] further stated, "They weren't screaming at the guy, but instead telling him very sternly to get rid of the firearm." [REDACTED] explained the male did not comply with the officers demands, and continued to hold the firearm. Both officers were standing behind their patrol cars and trying to calm the shooter down. [REDACTED] returned to Building 2 when he noticed the suspects firearm was not pointed in his direction. [REDACTED] explained the altercation continued on for several minutes. While officers gave the suspect commands, he and a co-worker named [REDACTED] decided to jump outside a window of Building 2 and leave the immediate area. Shortly after, several more cars arrived to assist. [REDACTED] sought shelter near building one (1), where he directed traffic and individuals away from the incident. During the entire incident, [REDACTED] stated there were three (3) or four (4) separate volleys of gunfire, and there were several minutes between each volley.

5. Near the conclusion of the interview, [REDACTED] stated the officers were trying to make a bad situation better. The black male would not stop, or listen to officers. He directed the gunfire at officers during the first and third volley of gunfire.

6. This interview was recorded on my Patrol-issued Sony audio recorder. A digital copy of this recording will be included and maintained within the case file.

7. This report is a summary of the interview with [REDACTED]. To aid in the readability of this report, information contained within this report may not be in chronological order. For specific details of the interview, refer to the attached audio file in the case file.

8. This investigation is open.

1. On August 4, 2023, I assisted in the investigation of an incident in which [REDACTED] date of birth April 12, 2001, was shot and killed during an incident with officers from the Columbia Police Department. This incident occurred in the parking lot directly south of [REDACTED] apartment, which was located in Building 3 of the apartment complex at 301 Campus View Drive, Columbia, Missouri. As I observed the scene, I noticed two individuals seated on a third-story balcony or porch of Building 3, facing south.
2. I contacted the two individuals, who identified themselves as [REDACTED] and [REDACTED]. After a brief conversation, [REDACTED] sent me a video she had captured of [REDACTED] and two Columbia Police Officers from earlier that day. (See Supplement 2 - R10547924 for details.) I advised [REDACTED] and [REDACTED] they would be contacted later by myself or another officer with further questions about what they had witnessed.
3. On August 7, 2023, at approximately 1115 hours, I drove to [REDACTED] and [REDACTED] residence at 301 Campus View Drive, Building 3, Apartment 317, Columbia, Missouri. As I walked up the stairs outside the apartment building to Apartment 317, I encountered two individuals I recognized as [REDACTED] and [REDACTED] as they were walking downstairs. I re-introduced myself and reminded them of our interaction on August 4. When asked if they had time to meet with me for an interview, the two of them advised me they were not willing to speak with me regarding the incident.

NARRATIVE

SUPPLEMENT 15 - [REDACTED] INTERVIEW
DATE OF REPORT - AUGUST 7, 2023

1. On August 7, 2023, at approximately 1122 hours, I interviewed [REDACTED] date of birth April 6, 1995, of [REDACTED] phone number [REDACTED]. This interview was in reference to an August 4, 2023 incident in which officers with the Columbia, Missouri, Police Department were involved in a shooting with [REDACTED] date of birth April 12, 2001. This shooting occurred in the parking lot of an apartment complex located at 301 Campus View Drive in Columbia, Missouri. I interviewed [REDACTED] inside my patrol vehicle, in a parking lot at 301 Campus View Drive.
2. The following is a synopsis of statements made by [REDACTED] during the interview. The text is not verbatim and is not a transcript, and may not be in sequential order; however, it accurately reflects the information given by [REDACTED].
3. [REDACTED] explained that he is employed by a contractor and has been doing remodeling jobs inside numerous apartments at the apartment complex located at 301 Campus View Drive. [REDACTED] said he lives in Michigan, but during this project, he has resided at an apartment inside the complex for weeks at a time.
3. [REDACTED] said the first thing he remembered in relation to the shooting was while he was working in "Building 2" of the complex, he saw two patrol cars parked at the apartment complex and two police officers talking to a black male subject, who was sitting in a chair, outside of "Building 3." Building 3 faces south and has a large parking lot directly south of it. Building 2 is located south west of Building 3. Building 2 faces east, and shares the parking lot with Building 3. [REDACTED] described where this occurred as outside the "bottom left" apartment of Building 3. [REDACTED] said this was at approximately 1500 hours on August 4th. [REDACTED] said it appeared one officer was doing most of the talking, with the other officer slightly behind him, but said one officer was leaning against a rail or post and the officers seemed very approachable and at ease. I asked [REDACTED] if the interaction appeared to be more of a conversation than a confrontation, and he said it did. I asked [REDACTED] if he had ever met the black male subject or either officer, and he said he had not.
4. [REDACTED] said later, his co-worker, [REDACTED] walked out of Building 2 to retrieve a tool from the truck. [REDACTED] said he also started to walk out to the truck and heard approximately eight gunshots from the direction from where the black male subject was talking to officers earlier. A few seconds later, [REDACTED] came running inside and told [REDACTED] he'd been shot at. [REDACTED] said he examined [REDACTED] and patted him down, and it was determined he hadn't been struck by gunfire.
5. [REDACTED] said he could see at that point there were two officers at the scene. [REDACTED] and [REDACTED] climbed out of the window on the south side of Building 2 and walked away from where the shooting occurred. He said they then notified their co-workers of what was going on and kept other vehicles from entering the area. [REDACTED] said as officers arrived in the area, they pointed them into the direction of where the shots had been fired. He said more officers arrived, and then several others quickly arrived. He said after they climbed out the window, he never saw any more of what happened.
6. I asked [REDACTED] if he heard any dialogue, conversation, or commands by either the subject or officers, and he said he wasn't close enough to hear anything that was said. [REDACTED] repeated that the first gunfire he heard, when [REDACTED] was outside the building, was approximately eight shots. He said there was another "volley" of gunfire after more officers had arrived, then "a whole lot more" after that.
7. I recorded this interview using a digital voice recorder. The audio file was later transferred onto a USB thumb-drive, which accompanies this investigation.
8. This investigation is open.

NARRATIVE

SUPPLEMENT 17 - OFFICER DALTON ALVEY INTERVIEW
DATE OF REPOR T- AUGUST 8, 2023
1. On August 8, 2023, at approximately 0900 hours, Sergeant Derek Powell and I conducted an in-person interview with Columbia Police Department (CPD) Officer Dalton Alvey, regarding the August 4, 2023 officer involved shooting. This interview was conducted in the Troop F DDCC Interview Room, address 2920 North Shamrock Road, Jefferson City, Missouri.
2. I began the interview by reading the officer involved shooting interview advisory and Officer Alvey agreed to speak with me. Officer Alvey was employed by CPD for approximately one (1) year and three (3) months, after completing approximately 716 hours of instruction, and graduating the Law Enforcement Training Institute in Columbia, Missouri. Prior to becoming a police officer, Officer Alvey worked for Department of Corrections (DOC) for approximately three (3) years, and during his time at DOC was a firearms and CPR Instructor.
TPR A. KINGS #1238

MISSOURI STATE HIGHWAY PATROL
REPORT OF INVESTIGATION

NARRATIVE

3. On August 4, 2023, Officer Alvey began his patrol duties at 0500 hours, in his CPD issued uniform of blue tactical pants, blue polo shirt with CPD insignia, ballistic vest with "Police" Markings on the front and rear, and CPD baseball cap. At the time of incident Officer Alvey was on patrol in the vicinity of Rangeline Street and Business 70. Officer Alvey heard radio traffic regarding a suspect shooting a firearm, and the officers on scene were requesting additional units respond to the scene. Officer Alvey activated his emergency lights and siren and traveled to the apartment complex via West Business 70 and South Providence Street. Officer Alvey had no prior knowledge of or interaction with the suspect.

4. Upon arriving at scene Officer Alvey observed several Patrol vehicles, CPD officers, and the suspect standing in the parking lot holding a black semi-automatic pistol which was held down to the suspect's side. Officer Alvey exited his vehicle with his personally owned American Defense brand rifle, loaded with 28 rounds of department issued Hornady T.A.P. ammunition. Officer Alvey explained he chambered a round in the rifle once he exited his patrol vehicle, as rifles are carried in an administrative carry which consists of a loaded magazine inserted into the rifle, bolt forward, chamber empty, and safety on. Officer Alvey moved up toward the incident on the west side of the parking lot near where the other officers were situated and overheard Officer Juan Cordova speaking with the individual. Officer Alvey observed a better position on the east side of the parking and moved to that location, where he positioned himself next to a red sedan parked in the parking lot.

5. Officer Alvey recalled hearing Officer Cordova speaking with the suspect telling him to put the gun down, they (the police) didn't want to hurt him, and they could get the suspect help. Officer Alvey recalled hearing the suspect say at some point he had one more round, and Officer Alvey believed the suspect might use the round to fire at officers. From Officer Alvey's position, he observed officers to the west and northwest of him, and the subject was approximately 30 yards due north of him. The suspect was facing toward the southwest. Officer Alvey stated the suspect was slightly moving around, he decided if the suspect made any other movement with the pistol other than dropping it, he believed he would have to use force against the suspect. Officer Alvey recalled at one point the suspect made a quick turning movement which almost caused Officer Alvey to fire however he did not fire. Officer Alvey stated the suspect eventually raised his arm and elbow, and he believed the suspect was going to fire the pistol at the officers west of Officer Alvey. Officer Alvey stated he shot three times, paused a brief moment to assess the situation and then fired a fourth time. Officer Alvey stated he shot because he feared the suspect was going to shoot at fellow officers, and he intended to stop the threat of the suspect shooting.

6. After the suspect fell and stopped moving all the officers approached the suspect and began to treat him for his injuries. Officer Alvey recalled someone handcuffed the suspect and someone else kicked the pistol away from the suspect. Officer Alvey explained he seized the pistol, unloaded the magazine which was empty, and ejected one round from the chamber of the pistol. Officer Alvey retained the pistol by putting it in his pocket. Officer Alvey and several other officers began to search and clear the area to ensure no bystanders were struck.

7. Officer Alvey recalled a short time later Assistant Chief Jerimiah Hunter arrived on scene and asked who shot. Those who shot were separated from the other officers, and eventually transported to the department building. Prior to leaving the scene Officer Alvey transferred the seized pistol, magazine, and round to Officer Treveyon Gayton.

8. I next read Officer Alvey the video advisory, and showed him two videos from the shooting; Officer Alvey's body worn camera video and his in-car camera video. After watching the body camera video, Officer Alvey clarified the momentary pause between his third and fourth shot was to assess the scene, and stated although the suspect had fallen down and dropped the weapon, he was still moving. Officer Alvey believed it was possible the suspect was reaching for the weapon. Officer Alvey fired the fourth round, and the suspect stopped moving.

9. This interview was recorded on my patrol issued audio recorder and the DDCC interview room recording system. Digital copies of these recordings are attached to this report and will be maintained with this departmental case file.

10. This report is a summary of the interview with Officer Alvey, and information in this report may in a different order than was recorded to aid in clarity and readability. For additional details view and/or listen to the attached recordings.

SUPPLEMENT 18 - KALEB BAILLARGEON INTERVIEW
DATE OF REPORT - AUGUST 8, 2023
1. On August 8, 2023, I interviewed Columbia Police Officer Kaleb C. Baillargeon, date of birth November 3, 1999, reference his involvement in a duty related use of force event in Columbia, Missouri, on August 4, 2023.
2. On August 4, 2023, Columbia Police Officers responded to 301 Campus View Drive, Columbia, reference a suicidal subject call for service. Officer Baillargeon, as well as several other officers, arrived on scene and attempted to de-escalate a situation in which [REDACTED] fired a handgun multiple times and refused to follow officers' commands. During the incident, [REDACTED] died from gunshot wounds.
3. On August 8, 2023, at approximately 0952 hours, I interviewed Officer Baillargeon. The interview was conducted in the Division of Drug and Crime Control's Troop F interview room. Also present in the interview room were attorneys Donald Weaver and John Roodhouse. The interview was audio and video recorded with my digital voice recorder and the interview room's recording system. Copies of the recordings are included with this case file.
4. At approximately 0953 hours, I read the formal interview advisory, as it is written in the Missouri State Highway Patrol Division of Drug and Crime Control Special Order #41, to Officer Baillargeon. The following is a synopsis of statements made by Officer Baillargeon during the interview. The text is not verbatim and is not a transcript. It may not be in sequential order; however, it accurately reflects the information given by Officer Baillargeon.

NARRATIVE

5. Officer Baillargeon stated he has served as a police officer with the Columbia Police Department for "a little over a year." Officer Baillargeon stated he went to the University of Missouri Law Enforcement Training Institute and graduated in April 2022.

6. Officer Baillargeon stated he was on duty on August 4, 2023, and wore his normal uniform, which consisted of a dark blue polo T-shirt with patches, a body armor carrier with "Police" displayed on the front and rear, as well as a duty belt.

7. I asked Officer Baillargeon to describe the call for service or information he received that led up to the shooting involving [REDACTED]. Officer Baillargeon stated he was not dispatched to the original call. He stated he was handling other things at the police garage when he heard an officer on his radio state shots were fired. Officer Baillargeon stated when he arrived, he exited his patrol vehicle with his rifle. He stated he saw another officer close by pointing his gun at the subject [REDACTED] but he could not see the subject. Officer Baillargeon stated he ran behind the officer and could see the subject walking in the parking lot.

8. Officer Baillargeon stated, "From what I remember, the subject then raised a weapon into the air and fired it about five or six times. I remember giving a command to drop the firearm or I am going to shoot you. I realized at that moment of time that he responded, 'shoot me then.'" Officer Baillargeon stated he said nothing else and allowed another officer to talk to the subject. Officer Baillargeon stated he moved to a location next to an opened patrol car driver's door in an attempt to obtain more cover. He stated he estimated his distance to be approximately "10 to 15 feet from the suspect" (Rivera).

9. Officer Baillargeon stated [REDACTED] made statements that he wanted officers to shoot him. Officer Baillargeon stated officers continued to talk to [REDACTED] attempting to calm him down and to drop the firearm. He said [REDACTED] refused to do so. Officer Baillargeon stated he didn't know how much time had passed after he had moved positions, but he remembers hearing a gunshot, then he shot.

10. I asked Officer Baillargeon if he could tell where the gunshot he heard came from. Officer Baillargeon stated, "No." I asked Officer Baillargeon what the suspect did prior to him shooting and he replied, "I don't remember."

11. Officer Baillargeon stated after he fired his duty rifle at [REDACTED] he gave another command for [REDACTED] to not touch the firearm and not move. He said he saw other officers running toward [REDACTED] and he followed. Officer Baillargeon stated other officers began rendering aid to [REDACTED] so he cleared the nearby residence [REDACTED] entered earlier.

12. I asked Officer Baillargeon additional questions. Facts learned from Officer Baillargeon in the interview are noted below:

- A. Upon arrival at the scene, Officer Baillargeon was not given any specific duties from another officer.
- B. Officer Baillargeon knew there was an earlier call for service the same day for a suicidal subject at the same location.
- C. Officer Baillargeon had no previous interactions with [REDACTED] and no previous knowledge about him.
- D. Officer Baillargeon's only knowledge about [REDACTED] weapon was that it was a semi-automatic handgun and he held it in his right hand.
- E. Officer Baillargeon stated [REDACTED] made statements he wanted to die, and he wanted police officers to shoot him.
- F. Officer Baillargeon stated commands to drop the firearm and offers to get him help were relayed to [REDACTED] by police officers.
- G. Officer Baillargeon stated he believed [REDACTED] heard the commands and communication directed at him.

SUPPLEMENT 19 - OFFICER WILD INTERVIEW
DATE OF REPORT - AUGUST 8, 2023
1. On August 8, 2023, at approximately 1040 hours, I interviewed Columbia Police Department Officer Ethan D. Wild, date of birth August 25, 1994. This interview was conducted at the Missouri State Highway Patrol Troop F Headquarters and was in reference to a use of force incident that occurred on August 4, 2023. Sergeant D.R. Powell assisted with the interview.
2. On August 4, 2023, Officer Wild was involved in an incident in which officers with the Columbia Police Department shot [REDACTED] date of birth April 12, 2001, after [REDACTED] had fired a handgun several times, striking a Columbia Police Department patrol vehicle, and brandished the handgun in a threatening manner. After repeated attempts by officer(s) with the Columbia Police Department to negotiate with [REDACTED] for [REDACTED] to surrender himself to officers, [REDACTED] pointed a handgun in the direction of officers and was shot by members of the Columbia Police Department. [REDACTED] died as a result of the gunshot wounds he sustained in the incident.

NARRATIVE

3. At approximately 1042 hours, I read the formal interview advisory as it is written in the Missouri State Highway Patrol Division of Drug and Crime Control Special Order #41; and Officer Wild said he understood. The following is a synopsis of statements made by Officer Wild during the interview. The text is not verbatim and is not a transcript, and may not be in sequential order; however, it accurately reflects the information given by Officer Wild.

4. Officer Wild said he has served as an officer with the Columbia Police Department for approximately three years. Officer Wild said he graduated from the University of Missouri Extension Law Enforcement Training Institute immediately prior to becoming an officer with the Columbia Police Department.

5. I asked Officer Wild to explain his involvement in the events at 301 Campus View Drive on August 4th. Officer Wild said was working the shift he typically works that day, which was a 12-hour shift from 4:00pm to 4:00am. He said at the beginning of his shift, he heard radio traffic about shots fired on Campus View, and another radio transmission indicating a subject with a firearm was being noncompliant. Officer Wild responded to the area and heard a radio transmission stating the subject's firearm was unloaded, then another transmission indicating the subject had fired seven to eight shots in the air.

6. Officer Wild said he arrived at the scene and parked on the far-right of the parking lot, behind another patrol vehicle. He said he activated his body-worn camera, exited his patrol vehicle with his rifle (a Sig Sauer 5.56mm,) and walked up to the patrol vehicle in front of him to take a position of cover. Officer Wild said he could see the subject, a tall, thin, light-toned black male wearing a light-colored hooded sweatshirt. In front of the subject to the subject's left (Officer Wild's right) were two police officers giving him verbal commands. He said he could hear the commands of "let's talk" and "put it down," but also noted he wasn't focused on exactly what the officers were saying. Officer Wild said he could see a handgun in the subject's hand and observed the subject put the handgun behind his back. Officer Wild said the subject then brought the handgun forward, and Officer Wild believed he was raising it to point it at the officers who were giving him verbal commands. Officer Wild said he believed he discharged one round from his rifle as the subject appeared to be raising the firearm, but Officer Wild noted he didn't hear or feel the recoil of the rifle as he squeezed the trigger. Officer Wild said the subject fell and he and other officers approached him. Officer Wild said he assisted with securing the rest of the building as other officers provided first aid to the subject.

7. Officer Wild said he doesn't think he'd had any previous dealings with [REDACTED] and at the time of the incident, he was not aware of the nature of the previous call on August 4th involving [REDACTED]. I asked Officer Wild what he thought would happen if the subject raised his firearm and he said he thought he could shoot and kill the officers to his right. Sergeant Powell asked Officer Wild again if he believed he fired his rifle or not, and he said, "I would suspect I didn't." Sergeant Powell asked Officer Wild if he deactivated the safety on the rifle and he said he wasn't sure.

8. I asked Officer Wild if he had viewed any videos of the incident and he said he had not, but wished to do so. I had previously been given copies of body cam footage extracted from a body cam worn by Officer Wild and a dash cam from the patrol vehicle driven by Officer Alvey. Sergeant Powell read Officer Wild the Officer-Involved Shooting Video Advisory, taken from Missouri State Highway Patrol General Order 01-05. Using a Patrol-issued laptop computer, Officer Wild viewed portions of footage from cameras.

9. After watching the videos, I asked Officer Wild if the video changed anything about the way he remembered the incident, and he said it did. He said from watching the video, it appeared he removed the magazine from his rifle, worked the slide in an attempt to put a cartridge in the chamber, then re-inserted the magazine into the rifle. Therefore, apparently, Officer Wild did not fire a shot, as the chamber was apparently empty. Officer Wild said he knew he pulled the trigger during the incident and the subject was shot, so he felt he needed to say he fired a shot at the time, although it was apparent after watching video from his body-worn camera that he did not.

10. This interview was recorded on the Troop F Division of Drug and Crime Control interview room audio/video recording system. It was copied to a external data storage device and will be included with the investigative case file.

SUPPLEMENT 20 - ANDREW GILSTRAP INTERVIEW
DATE OF REPORT - AUGUST 8, 2023

- 1. On August 8, 2023, I interviewed Columbia Police Officer Andrew T. Gilstrap, date of birth August 2, 1984, reference his involvement in a duty related use of force event in Columbia, Missouri, on August 4, 2023.
2. On August 4, 2023, Columbia Police Officers responded to 301 Campus View Drive, Columbia, reference a suicidal subject call for service. Officer Gilstrap, as well as several other officers, arrived on scene and attempted to de-escalate a situation in which [redacted] fired a handgun multiple times and refused to follow officers' commands. During the incident, [redacted] died from gunshot wounds.
3. On August 8, 2023, at approximately 1159 hours, I interviewed Officer Gilstrap. The interview was conducted in the Division of Drug and Crime Control's Troop F interview room. Also present in the interview room were attorney Donald Weaver and Missouri State Highway Patrol Corporal Nathan Shinkle. The interview was audio and video recorded with my digital voice recorder and the interview room's recording system. Copies of the recordings are included with this case file.
4. At approximately 1159 hours, I read the formal interview advisory, as it is written in the Missouri State Highway Patrol Division of Drug and Crime Control Special Order #41, to Officer Gilstrap. The following is a synopsis of statements made by Officer Gilstrap during the interview. The text is not verbatim and is not a transcript. It may not be in sequential order; however, it accurately reflects the information given by Officer Gilstrap.
5. Officer Gilstrap stated he has served as a police officer with the Columbia Police Department for four years and eight months. He is currently assigned as a school resource officer at Rock Bridge High School. NARRATIVE

6. Officer Gilstrap stated he was on duty on August 4, 2023, and wore his normal uniform, which consisted of an external vest carrier. He stated the uniform had a Columbia Police patch on his upper left shoulder area and "Police" was displayed on the front and rear of the carrier.

7. I asked Officer Gilstrap to describe how he became aware of the circumstances at the call for service at 301 Campus View Drive. Officer Gilstrap stated he was originally dispatched as a back-up officer on the previous call for a suicidal subject. He said the original call notes indicated a male subject named [REDACTED] called in, saying he was going to kill himself. Officer Gilstrap stated when he arrived on scene, he saw who he later learned was [REDACTED] sitting in a chair in front of the apartment building. Officer Gilstrap stated he drove around back of the apartment, unaware [REDACTED] was the subject of the call. Officer Gilstrap stated he then realized Columbia Police Officer George Chang, the other officer assigned to the call, had stopped near where [REDACTED] was sitting, so he went around to assist.

8. Officer Gilstrap stated Officer Chang was speaking to [REDACTED] however, he couldn't hear exactly what the conversation was. Officer Gilstrap indicated he was positioned to provide back-up. Officer Gilstrap stated [REDACTED] was "fidgety," looked around a lot, and did not talk to Officer Chang. Officer Gilstrap stated he recalled hearing Officer Chang ask [REDACTED] if there was someone he could call for him. According to Officer Gilstrap, Officer Chang then spoke to someone on the telephone for [REDACTED] Officer Gilstrap stated, after completing the telephone call, Officer Chang asked [REDACTED] if he was suicidal or homicidal. Officer Gilstrap stated [REDACTED] told him he was not, and that he was going to go inside and play video games. Officer Gilstrap stated he and Officer Chang then left the area.

9. Officer Gilstrap stated soon after they left, their dispatch called them and indicated [REDACTED] had called and asked for officers to return "now." Officer Gilstrap stated Officer Chang stopped by the leasing office at the apartment complex to inquire if anyone else was in [REDACTED] apartment before they re-contacted [REDACTED] Officer Gilstrap relayed he was concerned, based on [REDACTED] behavior, he was "working himself up to something." Officer Gilstrap stated Officer Chang told him [REDACTED] possessed a gun, although he didn't know where he obtained that information.

10. Officer Gilstrap stated when he and Officer Chang arrived for the second call for service, they observed [REDACTED] in front of the apartment, wearing a hooded sweatshirt. He stated [REDACTED] was pacing and had his hand in the sweatshirt pocket. Officer Gilstrap stated he and Officer Chang parked off to the side, and as soon as Officer Chang exited his patrol vehicle, he saw [REDACTED] remove a gun from his pocket, and start shooting it in the air. Officer Gilstrap stated he took cover behind his patrol vehicle and trained his gun on [REDACTED] Officer Gilstrap stated he believed [REDACTED] shot his gun "dry" and dropped it on the ground.

11. Officer Gilstrap stated he requested additional back-up and began telling [REDACTED] to walk to them. Officer Gilstrap stated he remembered [REDACTED] then "racking the gun" and "pulling the trigger." Officer Gilstrap stated he heard [REDACTED] gun "click" so he believed it was empty. He said he and Officer Chang continued giving commands to [REDACTED] but [REDACTED] went inside his apartment. Officer Gilstrap stated prior to going inside his apartment, [REDACTED] said, "Well, what if I go inside and get more bullets?"

12. Officer Gilstrap stated while [REDACTED] was inside, he moved back further, behind a Chevy truck in the parking lot. Officer Gilstrap stated other officers arrived on scene and [REDACTED] exited his apartment, shooting his gun in the air again. Officer Gilstrap stated officers continued giving verbal commands to [REDACTED] trying to relay they wished to help him.

13. Officer Gilstrap stated [REDACTED] turned the gun and "shoots towards us." Officer Gilstrap stated all he remembered was "ducking down behind that truck and popping back up after I heard gunshots stop." Officer Gilstrap stated he then looked down his sight to see [REDACTED] staggering and falling to the ground.

14. Officer Gilstrap stated he and other officers ran to [REDACTED] handcuffed him and began to triage him. He said he observed a tiny hole in the center of [REDACTED] chest and a hole in his left knee. Officer Gilstrap stated Officer Chang held [REDACTED] chest while he went to obtain his trauma kit from his patrol car. Officer Gilstrap stated he placed a chest seal on the hole in [REDACTED] chest.

- L. Officer Gilstrap stated soon after he and other officers rendered aid, medics arrived to attempt medical care for [REDACTED].
- M. Officer Gilstrap stated after the incident, he was paired with an uninvolved officer who later took him to the police station.
- N. Officer Gilstrap stated he was not injured during the incident; however, he received a hole in his pants from an unknown source.
- O. Officer Gilstrap stated he maintained control of his duty handgun until he surrendered it to Columbia Police Officer Brandon Holtz.
- P. Officer Gilstrap stated he did not recall firing his duty handgun during the incident; however, he later noticed the magazine in his handgun was missing one round of ammunition.

16. Near the end of the interview, I asked Officer Gilstrap if he desired to see video recordings of the use of force incident. He said he did, so I read him the Officer-Involved Shooting Video Advisory form before facilitating the viewing. Corporal Shinkle showed Officer Gilstrap his body worn camera footage provided by Columbia Police Department. Officer Gilstrap decided he did not wish to watch any additional video recordings.

17. At the end of the video viewing, I asked Officer Gilstrap if he had any questions. He stated he did not. The interview was concluded, and Officer Gilstrap left the interview room.

18. This investigation is open and active.

Colonel Eric T. Olson

Jefferson City, MO 65102-0568

Dear Colonel Olson:

Officers from the Columbia Police Department were involved in an Officer-Involved-Shooting incident on August 4, 2023.

During the incident Columbia Police Officers (5 in total) fired their weapons at an armed suspect who was killed.

After the initial information was obtained, I decided it would be in the best interest of the Columbia Police Department and our citizens, to have the incident investigated by an outside agency. We will continue an internal affairs investigation, separate from this criminal investigation.

I respectfully requested the assistance of the Missouri State Highway Patrol's Division of Drug and Crime Control in this matter.

I requested your assistance at the scene on that date and am thankful for your assistance. This letter is to memorialize the request and provide you with documentation. Thank you for all of your help.

Sincerely,

Matthew Stephens
Interim Chief of Police

MEMORANDUM

TO: Austin Kings and Nathan Shinkle, Missouri State Highway Patrol
AGENCY REPORT: 230419990
REVIEWING PA: Benjamin J Miller
DATE: February 7, 2024

RE: Decision in officer involved shooting on August 4th, 2023, at the Landing Apartment Complex in Columbia, Missouri.

Last year, I was appointed Special Prosecutor to review the officer-involved shooting that occurred on August 4, 2023, at the Landing Apartment Complex in Columbia, Missouri. The incident involved officers from the Columbia Police Department (CPD) who responded to a 911 call from a suicidal subject. During the initial contact, officers spoke with the subject and resolved the situation without incident after being told by the subject that he did not want to hurt himself or anyone else.

Later that same day, CPD officers responded back to the Landing Apartment Complex after the subject again called 911 asking for the officers to return. This time, the subject was armed with a handgun. During this second contact, the subject discharged his firearm approximately 8-10 times both in the air and in the direction of the officers, striking their patrol cars. He also made threats to shoot the officers if they did not shoot him. Despite the officers' repeated attempts at de-escalation, the subject persisted in his actions and ultimately pointed the firearm directly at CPD officers while telling them it was loaded. In response to these actions, the officers deployed lethal force to protect both themselves and nearby citizens. Officers immediately attempted to provide life-saving measures to the subject, but the subject died on scene. Officers were able to verify that the firearm the subject had pointed at them was still loaded.

After a thorough review of the incident and considering all available evidence, I have decided not to file charges against the CPD officers who discharged their firearms, leading to the death of the subject. My decision is based on the following reasons:

- 1. Imminent threat to public safety:** The subject told officers his firearm was loaded, pointed it at them, and threatened to fire at the officers in the presence of civilians. This presented an immediate threat to public safety. Under such circumstances, the use of lethal force by the officers was authorized to protect both citizens and the other officers who were present. (*563.031, RSMo. and 563.046, RSMo.*)
- 2. Efforts to de-escalate:** Prior to the use of lethal force, the officers made multiple attempts to de-escalate the situation. Eyewitness accounts confirm that the officers maintained a firm and professional demeanor in their efforts to persuade the subject to surrender his weapon. It was only when the subject raised his gun towards the officers,

explicitly indicating it was loaded, that they resorted to firing. At no point was their conduct reckless or negligent as contemplated by the statutes governing the offenses of manslaughter. (565.027, RSMo. and 565.024, RSMo.)

3. **Reasonable conduct based upon totality of circumstances:** Given the totality of the circumstances, it was reasonable for the officers to conclude that further de-escalation attempts would pose a significant risk to public safety.

My decision is based on an exhaustive review of all the facts. The actions of the CPD officers were in compliance with the legal standards governing the use of lethal force. I recognize the gravity of this incident and extend my deepest sympathies to all those affected by it.

Thank you,

Ben
