

New Release

Effective July 11, 2024, the previous fire chief was relieved of her duties by a unanimous decision of the city council. The fire chief was the sole individual relieved of their duties; no volunteers were let go. We encourage all current volunteers to reach out to the City of Auxvasse if they wish to continue their service. Please follow the official City of Auxvasse, Missouri Facebook page for updates, as the Auxvasse Fire Department Facebook page is not an official channel. We will advertise for a new fire chief across multiple platforms, including volunteer opportunities, to restore our department as quickly as possible and ensure the safety and well-being of our citizens. Until then, neighboring fire departments in our county will provide mutual aid. We appreciate your patience during this transition and encourage the public to continue using 911 in case of emergencies.
