Kristina Bishop was last seen leaving her home to walk to school in Columbia, Mo. the morning of October 19, 1994. A witness observed a four-door vehicle stop along Bishop's street and watched as Bishop and the man talked for a few moments. Kristina allegedly entered the car, and they drove away. She never arrived at school and has not been seen again. Kristina was carrying a backpack with books in it at the time of her disappearance. Kristina's photo is shown age-progressed to 24 years of age, courtesy of the National Center for Missing and Exploited Children.
